PROFESSIONAL EXPERIENCE

Assistant Manager Billing and Operations

F&A Global — Lahore, Pakistan | February 2025 – Present

- Lead and coordinate comprehensive U.S. healthcare medical billing and RCM operations across client accounts.
- Direct Accounts Receivable activities, implementing structured workflows for outstanding account follow-up and timely payment collections.
- Supervise denial-management pipelines, ensuring systematic root-cause diagnosis, rapid rework, and appeals.
- Monitor AR aging buckets (>60, >90, >120 days) and prioritize high-dollar value accounts to maximize cash recovery.
- Drive team productivity, operational KPI reporting, and quality benchmarks to exceed client performance standards.
- Handle complex billing escalations and payer disputes with specialized payer guidelines understanding.

Senior Accounts Receivable Executive

F&A Global — Lahore, Pakistan | October 2022 – February 2025

- Managed extensive U.S. healthcare AR portfolios and accelerated outstanding account recovery.
- Conducted rigorous insurance claim follow-ups with commercial payers, Medicare, and Medicaid.
- Investigated unpaid, underpaid, and rejected claims; coordinated claim rework and resubmission.
- Monitored account aging reports and resolved denial patterns to protect practice revenue stream.
- Collaborated closely with internal charge capture, demographic, and coding teams to prevent recurring errors.

Billing Executive

PRG Pakistan — Lahore, Pakistan | February 2022 – October 2022

- Executed daily medical billing operations, demographic verification, and claim generation.
- Validated patient eligibility, insurance coverage details, and authorization requirements.
- Supported timely filing submission workflows and maintained precision patient account records.

Revenue Cycle Management Executive

CureMD — Lahore, Pakistan | April 2021 – January 2022

- Supported end-to-end U.S. healthcare RCM operations utilizing CureMD healthcare billing EHR/PM software.

- Maintained precise patient demographics and insurance account records, ensuring billing accuracy.
- Assisted in account reconciliation, denial logging, and patient inquiry resolution.

EDUCATION

Bachelor's Degree in Metallurgy & Materials Engineering

University of the Punjab — Lahore, Pakistan | 2017 – 2021 | CGPA: 3.64 / 4.00
